PRIMOZONE QUALITY & ENVIRONMENTAL MANAGEMENT SYSTEM

PRIMOZONE QUALITY POLICY

At Primozone we are committed to provide our customer with high quality ozone generators and ozone for environmentally friendly water cleaning and treatment. We develop, design, manufacture and deliver the most efficient ozone generators and ozone systems with focus on low energy consumption and high system efficiency.

Our main goal is to provide our customers with the best solution for every single contract. Our clients can rely on our ability to deliver every order on time with the right quality. We are always available during the entire lifetime of our products for support and advice to ensure trouble free operation and future business.

This will be achieved by:

- Employees and Partners with the right competence
- Our own capacity and capability as well as throughout the entire supply chain
- Responsive, bold, and accurate communication
